Evvoli TOASTERS

Experience the perfect blend of style and performance with Evvoli Toasters. Crafted with a durable brushed stainless steel shell, these toasters make breakfast and snack preparation fast and effortless. Featuring six time settings for precise browning control and a self-centering function to ensure even toasting, Evvoli Toasters provide perfect results every time. The extra-wide slot (36mm) easily accommodates various bread types, while the removable crumb tray makes cleaning hassle-free. Additional thoughtful details—such as cord storage, auto power cut-off for safety, and an indication light—round out this modern appliance.
