

2025 HOME APPLIANCES

Built to the highest standards, Evvoli home appliances seamlessly combine efficiency, safety, and convenience. From gas boilers to heaters, irons, and steamers, Evvoli products are designed to elevate everyday comfort and functionality. Explore our range of premium appliances now!

www.evvoli.com

ORIGINAL
ITALIAN BRAND

A woman with dark hair tied back, wearing a white button-down shirt, is smiling as she uses a black Evvoli steam iron. The iron is positioned over a dark surface, and she is holding the handle with her right hand. The background is dark, with a window visible behind her.

Evvoli IRONS & STEAMERS

Evvoli irons and steamers are designed for effortless garment care. With ceramic soleplates for smooth gliding, anti-drip and anti-scale technologies, and versatile ironing functions, Evvoli irons deliver professional-level results with ease. For added convenience, Evvoli steamers, including foldable travel-friendly models, offer quick and effective wrinkle removal, keeping clothes fresh whether at home or on the go. Both irons and steamers prioritise user comfort and practicality—discover the full range for a smarter ironing and steaming experience.

Evvoli OIL-FILLED RADIATOR HEATERS

Evvoli's oil-filled radiator heaters are designed to efficiently warm your entire room with their innovative fins design. Equipped with a powerful PTC turbo fan and three heating levels, these heaters deliver fast and even heat distribution in just 3 seconds. With built-in safety features such as a tip-over switch and overheating protection, along with the convenience of an anti-freeze function and much more, Evvoli Oil-Filled Radiator heater is your most reliable companion during the chilliest days.

Evvoli PTC FAN HEATERS

Evvoli's PTC fan heaters are fast, reliable, and safe, utilising advanced PTC heating elements that heat up quickly and maintain a consistent temperature. Equipped with built-in safety features and an oscillation function for even heat distribution, these heaters provide efficient warmth for any space. Select models also offer convenient features like remote control operation and an eco-energy-saving function, making them a versatile and energy-efficient heating solution for your home.

Evvoli INFRARED & CERAMIC HEATER

The Evvoli Ceramic Heaters feature fast-heating ceramic plates, two heating gears, and a 420mm heat emission cover, ensuring immediate comfort and even heat distribution, ideal for smaller rooms. They also include an 85° oscillation function, a 7-hour timer, and built-in safety features. In contrast, Evvoli's Infrared Heaters offer direct, instant warmth by heating objects and people without altering the surrounding air temperature. Equipped with three heating levels and oscillation for targeted warmth, these heaters also prioritize safety with robust protective features, delivering reliable and effective heating in any environment.
